Notes to assist in reading this table

It is envisaged that, where the Senior Executive Leadership Team Team (SELT) have been delegated responsibility by the Board of Directors, an appropriate member of the Senior Executive Leadership Team Team will take the lead based on their qualifications, expertise, skills, experience and/or availability. There is an expectation that there will be one person on the Senior Executive Leadership Team Team who will lead and assume accountability for decisions taken by the team; a CEO will also act as Accounting Officer.

In all that the Multi-Academy Trust does, it should ensure that Diocesan policy, procedure, protocol or guidance is visible, within the Multi-Academy Trust's schools

In this table, the term 'company' refers to the Trust, as in the Multi-Academy Trust

In this table, the term 'Headteacher' shall mean the Headteacher or Executive Headteacher employed in the school/s and reference to 'Headteachers' shall mean each of the Headteachers employed in each of the schools in the Trust.
