Message from CEO

Dear Colleagues

This being my first message to you in my role as Interim CEO, I would like to start by thanking you all for the hard work taking place out in our schools and the support received from the Local Governing Bodies and Interim Academy Boards.

I understand that these are difficult and challenging times, there is a lot that needs to be achieved in a very short period with several organisations watching our progress carefully and who we need to report to on a regular basis, the Regional School Commissioner's office and the Education and Skills Funding Agency to name two. I hope that with us all working together with the same goals across the Trust we will rise to these challenges.

I have met with almost all Head teachers and Finance Officers previously in my role as interim Chief Finance Officer, nevertheless I am looking forward to attending the Heads & Deputies conference at Exeter in February where I hope to be able to meet you all and we can discuss the current situation both financially and educationally in a more relaxed environment.

If you have any additional skills which you feel may be put to good use across the Trust or any ideas for positive change, please do not hesitate to contact me.

A handwritten signature in blue ink, appearing to read "K Cook".

Dr Karen Cook
Interim CEO

News from our Schools

Notre Dame School, Plymouth—Award Evening

At Notre Dame, Senior Students have the opportunity to lead many events throughout the year. Awards evening is definitely the highlight of the year. After introducing the different prizes we then invite students to receive their awards. Our guest speaker Kevin Duggan spoke about the work of his sister with Saint Mother Teresa of Calcutta, and Lagi Tuima one of our former sixth formers shared with us her incredible journey from Notre Dame to the England rugby squad. Both were very inspirational speeches and it was so humbling to get to meet them.

Our Lady's Catholic Primary School, Barnstaple

Ollie Scones, a Year 5 pupil at Our Lady's Barnstaple, was a recipient of a Children's and Young People's Mental Health Award. This is a national award and acknowledges the personal journey Ollie has been on since he started our school in 2015.

Ollie joined us in a 'managed move'. He was not able to access his learning and his self-esteem was very low and ultimately he struggled to control his behaviour. Over the past two and a half years Ollie has transformed himself into a wonderful young man. He accesses 100% of his learning opportunities, his good behaviour is an example to all and he is well placed to leave Our Lady's ready for the next stage of his education.

This award is testament to the wonderful team of teachers and support staff who have worked with Ollie but ultimately it is a reflection of the effort he has put in to turn his life around.

We are all so very proud of him.
