### **Senior Science Technician**

**March 2025**

**Grade G £31,067 to £32,654 (actual salary £24,701 - £25,963)**

**LGPS Pension**

**Permanent**

**32.5 hours, 40 weeks p.a.**

**(Monday – Friday 8.30am- 3.30pm, term time plus 2 weeks)**

Plymouth CAST Multi-Academy Trust is seeking to appoint a Senior Science Technician for its two secondary schools, Notre Dame Plymouth and St Boniface's College. Supporting the Head of Science to deliver well planned practical lessons and overseeing the health and safety of the department as part of a small team of technicians, the successful candidate will be fundamental in ensuring that we as schools have happy and successful staff, delivering the best possible education to over 1000 students.

Experience and relevant qualifications in delivering the requirement under CLEAPS guidance is essential and full training on the practices in our schools will be provided on appointment. This post would equally suit a Senior Science Technician looking for a new challenge or an experienced Science Technician ready to progress in their career. School experience is essential.

The post involves working across 2 secondary schools located a few miles apart so a full driving licence and use of a vehicle is preferable.

If you would like to work with us, and feel you have the qualities detailed in the job description we look forward to receiving your application. If you would like more information about the role please email Mrs Helen Laird, School Business Manager, at [hr@ndonline.org](mailto:hr@ndonline.org)

Applications should be submitted using the [TES website](#) by the closing date stated below.

We reserve the right to close the vacancy sooner than the published date should we receive a sufficient volume of quality applications. If a suitable candidate is identified before the closing date we may decide to interview sooner.

Application deadline: Midnight, Sunday 4th May 2025

Interviews: May 2025 (or sooner if suitable candidates are identified)

**The school operates a Safeguarding Children Recruitment Policy and is committed to promoting the welfare of young people. The successful applicant will be required to undertake an Enhanced DBS disclosure.**
